## The West Australian Wine Guide 2020

### **2015 Rolling Stone - 98 Points**

*Rated "Best of the West" Bordeaux variety blend*

This is a powerful and well-defined cabernet-dominant wine. Slightly more savoury and grainy than the previous vintage, with a subtle leafy lift. Has a gravelly tannin character with a type of red brick dust on the palate. Structure is all about the cabernet. It has a rich black fruit density and thickness. Needs to be decanted and splashed around now to bring out the vibrancy in the palate. More of the graphite emerges with breathing. Cellar 20 years

### **2018 McHenry Hohnen Grenache Syrah Mataro - 96 Points**

*Rated 'Best of the West' Rhone Variety Blend*

Has a beautiful aromatic perfume of the grenache. Pomegranate with spicy raspberry and light plum. Gorgeous. Whole bunch on grenache which is 85 per cent of the blend. The grainy tannins have a slightly powdery character. Love the structure and the fruit qualities/. A real breakthrough wine. Has a touch of roussanne in there too to lift the spice. Cellar 15 years

### **2017 Hazel's Vineyard Syrah - 94 Points**

Highly perfumed and aromatic. It has intensity and prettiness. Focus has been on spiciness and perfume with a touch of pepper. This has a small amount of roussanne. It is co-fermented, which contributes to the balance and tannin structure. Brilliant colour and vibrancy. It has so much energy and life in the palate with its excellent texture and structure. Picked earlier to get the perfume. Comes from a rocky part of the vineyard. Unfiltered and unfinned. Cellar 6 years

### **2017 McHenry Hohnen BDX, Malbec Cabernet Petit Verdot – 93 Points**

This is a malbec dominant wine displaying such a gorgeous lifted energy about it. Sweet, ripe, plummy fruit flavours. Fine chalky tannins. There is a tremendous concentration with a fine acid lick on the finish. Has a distinct graphite character with a hint of liquorice. Very low amount of new oak in here. Cellar 10 years

### **2017 Calgardup brook Vineyard Chardonnay – 96 Points**

This has a real lift on the nose. There is a lemon zest and grapefruit character here. It's chalky and fine with a salty brine character. The palate is powerful and focused with tremendous juiciness. Has about 20 per cent new oak made up of puncheons and barriques. It has tremendous fruit concentration with a lip-smaking finish on it. Exceptionally long palate. This gets a fair amount of battonage. Cellar 10 years

### **2017 Burnside Vineyard Chardonnay – 95 Points**

This is a beautifully textured and opulent chardonnay. Such deep stone fruit and creaminess with a slight edge of acid and oak. But it is so well integrated. This has a flinty edge to it with a very long and focused finish. There is some phenolics that seems to come from the full solids impact. And there is a slight flint and match stick character. Cellar 12 years

## Reds

### Shiraz

#### Capel Vale Whispering Hill Mount Barker shiraz 2018

An outstanding wine from this super vineyard in Mount Barker. In fact, I have to say this is the finest I have seen under this label. Heady floral notes on the nose, with spices, mocha and chocolaty notes. There's even a hint of orange peel and thyme. The palate is generous, with gravelly supporting tannins. It's a complete wine with tremendous potential.

**Runners-up:** Amelia Park Reserve shiraz 2016; Cape Mentelle Two Vineyards shiraz 2016; Forest Hill Vineyard Block 9 shiraz 2018; Robert Oatley Finisterre syrah 2015.

### Merlot

#### Moss Wood Ribbon Vale merlot 2016

The merlot from this vineyard has gone through a remarkable transition in recent years. Intense vineyard and winemaking management has resulted in softer more approachable tannins contributing to a series of excellent wines. Even in quite muscular years like this, the wine shows excellent flesh and suppleness while retaining structure and poise. A classy, expressive wine.

**Runner-up:** Talisman merlot 2017.

### Pinot noir

#### Paul Nelson Karriview pinot noir 2018

Beautiful pinot from the Karriview vineyard. On-the-nose aromas of cherry and truffle mingle with earthy forest floor notes. The palate is textured with a sweet and sour cherry character that is so appealing. A little vanillin oak works into the equation. You find something with each sip.

Wonderful example of Swan Valley grenache sourced from old bush vines. Seductive perfumes of rose petal and dried herbs. The palate is so beautifully smooth and seamless.
