

**2019 HAZEL'S VINEYARD
SYRAH**

Review Summary

95 pts – “It seems these guys can't do any wrong at the moment. Layered, spicy, slightly reductive (in a good and engaging way), stemmy, juicy and delicious. Briney acid and red fruits. Savoury, structured and quite exciting, with the salted heirloom tomato character that so excites in Shiraz/Syrah.”

92 pts – “Deep red colour with a good purple tinge. The aromas are peppery and plummy with overtones of other spices led by aniseed, while the palate is medium to full-bodied with abundant fine tannins. There's good early drinkability as well as ageing potential. Appealing balance and spicy cool-grown charm.”

94 pts – “This is a wine that strikes that wonderful balance between power, finesse and elegance. It's from a vineyard that is really starting to deliver some exceptional fruit. It's super plush and velvety smooth with a thread of chalky tannins and a little oak to support. You get that trace of ironstone iron filing character on the palate bringing another dimension of complexity.”
