

**2020 HAZEL'S VINEYARD  
SYRAH**

**Review Summary**

**95 pts** – “Deep and vivid purple-red colour; inky blackberry and background spice aromas, the palate full-bodied and solid, with abundant tannins which are deliciously supple and fine, the entire wine nicely harmonious. Very appealing and has the structure age long and well. The fruit is concentrated and does most of the talking”.

**92 pts** – “This unusual blend brings together a 2020 single vineyard Syrah with a touch of Roussanne. An intriguing start with its intense aromas of mulberry and blackberry accented by spice, laced with stalky complexity and more than a touch of peach skin. it's then highly expressive with fleshy flavours of blackberry and cocoa, freshened up by aromatic florals. Quite seamless too over a long, velveteen finish.”.
