

**2020 McHENRY HOHNEN  
MARSANNE / ROUSSANNE**

**Review Summary**

**94 pts** – “From the Calgardup and Hazel's vineyards. 61% Marsanne fermented in seasoned oak, 39% Roussanne pressed to concrete egg. Matured separately on lees for 6 months prior to blending. The best examples of this Rhône blend can have a biscuity dryness that offsets the typically rich and opulent fruit characters of both varieties. And so here. Balanced and long, both components are stitched together with a thread of saline acidity.”
