

**2021 HAZEL'S VINEYARD
CHARDONNAY****Review Summary**

95+ pts - “Vanilla, plenty of chewy-pithy-fleshy citrus. Bold on the reduction side, which is flint dialed up. There are crunchy almond biscuits and very-very zesty and bitter pure citrus essence. Fresh cucumber thread of sweetness comes into play too. Milk powder dust on the nose. Powdery chalky mouthfeel. Concentration is through the roof. It needs time to fuse. But it will fuse into one beautiful thing, no doubt.”

93 pts - “The 2021 Chardonnay Hazel's Vineyard is quite a classic Margaret River style, carrying both generous levels of flavour while retaining trademark finesse. Exuberant pineapple, grapefruit and tangy blossom fruits jump out of the blocks well matched by high quality, reserved new oak. Fantastic grapefruit flavour impact follows driven by juicy acidity before more savoury toasted almond and nougat emerge over a long, flavoursome finish.”

92 pts - “The cooler year doesn't sit as harmoniously in the 2021 Hazel's Vineyard Chardonnay as hoped: there are notes of Granny Smith apple, nashi pear and green pineapple. It is quite tropical and green, and minerally and herbal, too. This will/may evolve intensely over time, as the others do; however, at this early stage, it is very tight—almost linear—a touch green and closed.”
