

**2021 McHENRY HOHNEN
SAUVIGNON BLANC**

Review Summary

95 pts – “Light straw-yellow hue, with a gently herbal, nutty barrel-ferment and spicy Sauvignon Blanc fruit bouquet, showing more varietal character on palate than nose. It's intense and bright, lively and full of character, much more than simple varietal fruit, although it is recognisable as Sauvignon Blanc. An excellent attempt at a white Bordeaux style.”
