

**2023 ROCKY ROAD
CHARDONNAY**

Review Summary

93 pts – “Aromas of pithy white grapefruit, pomelo, and citrus lead to a refreshing yet intense palate with guava, and passion fruit blossom notes. Elegant and precise, with a lingering, saline texture. Accomplished.”

90 pts – “This 2023 Chardonnay is very approachable offering up waves of elegant melon and citrus pith aromas against a background of reserved oak. Quite textural and creamy in style showing the warm dry vintage but retaining balance although pulls up a little short.”

89 pts – “Light and vibrant straw yellow colour. Peach and hot stone aromatics. Bright, simple and refreshing on the palate. Core of peach and pineapple with a line of stony minerality adding interest. Acidity is very bright, ensuring a reasonable length and crisp finish.”
